REVISED: Additional Meeting Time Added

July 15, 2015

Dear Property Owner:

Charlotte County Utilities (CCU) has scheduled meetings to present potential additional utility expansion improvements along the US 41 corridor from Enterprise Drive to Hillsborough Boulevard. These potential utility expansion improvements will provide the actual service of potable water, reclaimed water and wastewater to individual properties along the US 41 corridor—services that are not currently available in the area. This will be a benefit to the property that you own.

If these utility improvements are constructed, full utility services will be made available to your property. Restrictions on development caused by on-site wastewater and well systems will no longer be encountered. With the new KIA Dealership and Flowers Bakery coming onto the system, we expect this area to continue to develop. We are excited that these potential utility improvements are now available and we are even more excited to be able to offer them to you.

We are hosting meetings to help you learn more about these potential utility improvements. Please join us at either one of these dates and times. We ask that you please RSVP to Eileyn Soback-Bador, 941.764.4304 by 7/20/15. The topics presented will be the same at all meetings.

July 29th, 3:00 p.m.-5:00 p.m. **and 6:00 p.m-8:00 p.m.**
CCU East Port Environmental Campus
25550 Harborview Road
Port Charlotte, Florida

July 30th, 10:00 a.m.-noon
Charlotte County Administration Complex
18500 Murdock Circle, Room B106
Port Charlotte, Florida

Thank you very much and we do look forward to learning more about your interests in these potential utility improvements and answering any questions you may have.

Sincerely,

Bruce R Bullert, P.E.
Engineering Services Manager
